

# DESERT SKY TOURS

Due to Covid 19, we have the following restrictions in place:  
Have you travelled inter-state or internationally in the past 14 days?  
If yes, I am afraid you are unable to travel with us today.

Do you have any cold or flu-like symptoms – fever, dry cough, tiredness or a sniffling nose?  
If yes, I am afraid you are unable to travel with us until you feel well.  
The current recommendation is that any individual showing symptoms such as these get tested for Covid 19.

Are you a family unit, friends or people who normally associate with each other?  
If not, I am afraid you cannot sit next to each other.  
To help keep yourself (and our staff) safe, we ask you, to please:  
Maintain social distance when outside the vehicle and avoid close contact with the driver.  
Use the hand sanitiser before boarding the vehicle, and after disembarkation.

Avoid touching your eyes, nose or mouth.  
Cover your mouth and nose with a tissue if you cough or sneeze. Please dispose of the tissue, and wash your hands for 20 seconds with soap & water as soon as possible.  
If you don't have a tissue, please cough or sneeze into your upper sleeve or elbow.

The current recommendations include:  
Download the Covid-19 App and follow the operating instructions to allow traceability.  
Wash your hands with soap and water for 20 seconds regularly.  
Minimise touching your face, and wash / sanitise your hands afterwards.

If you have any questions about our procedures, please do not hesitate to contact our head office on
